

Wyndemere is a private, well-established gated community in the heart of beautiful Naples. 634 private residences are snuggled on 450 acres among mature trees and beautiful landscaping—just minutes away from ocean beaches, downtown shopping and the Naples Philharmonic. Our wide varieties of home styles are placed within sixteen communities one of which is Edgewood.

### **EDGEWOOD COMMUNITY DESCRIPTION**

There are 26 units with 1,870-3001 sq. ft. living space and 2,583-3,819 total square feet. The detached single-family homes extend from tee to green on the Gold course of Wyndemere's championship holes. The cottages feature one and two story golf-cottage style homes. With the popular split bedroom floor plan, the owners can entertain overnight guests, while maintaining their own privacy. Each home has an east/west view, making them ideal for welcoming the sun in the morning or saying good-bye at night. An atrium also allows a constant watch of the lush Florida landscaping which surrounds your home.
