North, Suite 200, Naples, FL 34103

**AMENDMENTS TO THE  
DESIGN AND DEVELOPMENT STANDARDS FOR  
THE PRESERVE ASSOCIATION, INC.**

The Design and Development Standards for The Preserve shall be amended as shown below:

Note: New language is underlined; language being deleted is shown in struck-through type.

1. Paragraph 7 of the Design and Development Standards, recorded at O.R. Book 1442, Page 1433 of the Public Records of Collier County, shall be amended to read as shown below:

Approval by the Committee shall be required before construction or any alteration is initiated with the exception of any non-structural changes located inside an owner's lanai courtyard which serves only that unit. "In order to obtain the approval of the Committee, a complete set of plans and specifications for proposed construction and any and all other reasonably requested information and materials related thereto shall be submitted to the Committee for its review. The plans shall include, as appropriate, the proposed location, grade, elevations, shape, dimensions, exterior color plans, approximate costs, and nature, type and color of material to be used."

2. Paragraph 1 under STANDARDS (I) of the Design and Development Standards, recorded at O.R. Book 1442, Page 1434 of the Public Records of Collier County, shall be amended to read as shown below:

Materials used in any modification or alteration shall, in all cases, match those now existing on the structure, or must be approved by the ARC of The Preserve Association, Inc.

3. Paragraph 4 under STANDARDS (I) of the Design and Development Standards, recorded at O.R. Book 1442, Page 1434 of the Public Records of Collier County, shall be amended to read as shown below:

Garage door color, if not the same color as the rest of the structure, must be a close relative of the building color. Colors of sharp contrast (for example - red, blue, or green) are not permitted on garage doors. Any garage door which is replaced must be replaced with a 32 panel door, 4 panels high and 8 panels across, as approved by the ARC of The Preserve Association, Inc.
