**5.2 Bylaws.** The Amended and Restated Bylaws of the Association shall be the Bylaws as attached as Exhibit "B".

**5.3 Delegation of Management.** The Association may contract for the management and maintenance of the Community and authorize a management agent to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of assessments, preparation of records, enforcement of rules, payment of bills, establishment and maintenance of Association accounts at financial institutions, and any other duties which the Board may deem appropriate, with funds made available by the Association for such purposes. The Association and its officers shall, however, retain at all times the powers and duties provided in the governing documents.

**5.4 Membership.** Every person or entity who is a record owner of a fee interest in any parcel located within the Community, shall be a member, provided, however, that any such person or entity who holds such interest merely as a security for the performance of an obligation shall not be deemed the owner for purposes of determining voting and use rights. Membership shall become effective upon the occurrence of the last to occur of the following events:

- (A) Recording in the Public Records of a Deed or other instrument evidencing legal title to the parcel in the member's name.
- (B) Delivery to the Association of a copy of the recorded Deed or other instrument evidencing title.

#### DECLARATION

Membership shall be appurtenant to, run with, and shall not be separated from the real property interest upon which membership is based. If a parcel is sold under a recorded agreement for deed, and the agreement for deed specifically so provides, then the purchaser (rather than the fee owner) shall be considered the owner and, hence, the member.

**5.5 Voting Interests.** The members of the Association are entitled to one (1) vote for each parcel owned by them. The total number of votes shall not exceed the total number of parcels subject to this Declaration. The vote of a parcel is not divisible. The right to vote may not be denied because of delinquent assessments. If a parcel is owned by one natural person, his right to vote shall be established by the record title to the parcel. If a parcel is owned jointly by two or more natural persons who are not acting as trustees, that parcel's vote may be cast by any one of the record owners. If two or more owners of a parcel do not agree among themselves how their one vote shall be cast, that vote shall not be counted for any purpose. If the owner of a parcel is a corporation, the parcel's vote shall be cast by the President or Vice-President of the corporation. If the owner of a parcel is a partnership, any general partner may cast the parcel's vote. If a parcel is owned in trust, any of the trustees may cast the parcel's vote.

**5.6 Approval or Disapproval of Matters.** Whenever the decision or approval of an owner is required upon any matter, whether or not the subject of an Association meeting, such decision or approval may be expressed by any person who could cast the vote of such owner's parcel if present in person at an Association meeting, unless the consent of all record owners is specifically required.

**5.7 Change of Membership.** A change of membership in the Association shall be established by the new owner's membership becoming effective as provided above, and the membership of the prior owner shall thereby be automatically terminated.

**5.8 Termination of Membership.** The termination of membership in the Association does not relieve or release any former member from liability or obligation incurred under or in any way connected with the Association during the period of his membership, nor does it impair any rights or remedies which the Association may have against any former owner or member arising out of or in any way connected with such ownership and membership and the covenants and obligations incident thereto.

**5.9 Association As Owner of Parcels.** The Association has the power to purchase parcels with prior approval of at least a majority of voting interests and may acquire and hold, lease, mortgage, and convey such parcels, by act of a majority of the voting interests of the Association.

**5.10 Membership Roster.** The Association shall maintain a current roster of names and mailing addresses of owners. A copy of the up-to-date roster shall be available to any owner upon request.

**5.11 Limitation on Liability.** The Association shall not be liable to owners for property damage caused by any latent condition of the property to be maintained and repaired by the Association. The Association shall not be liable for damage caused by the elements or owners or other persons.

**5.12 Board of Directors.** Except as otherwise provided by law or by the Governing Documents, the Association shall act through its Board of Directors and its officers, and no vote of the members shall be required. The officers and Directors of the Association have a fiduciary relationship to the members. An owner does not have the authority to act for the Association by virtue of being an owner.

#### DECLARATION

**5.13 Powers and Duties.** The powers and duties of the Association include those set forth in this Declaration, the Articles of Incorporation and the Bylaws. The Association may contract, sue, or be sued with respect to the exercise or non-exercise of its powers. If the Association has the authority to maintain a class action, the Association may be joined in an action as representative of that class with reference to litigation and disputes involving the matters for which the Association could bring a class action. Nothing herein limits any statutory or common law right of an individual owner or class of owners to bring any action which may otherwise be available.

## **6. ASSESSMENTS AND LIENS.**

**6.1 Creation of Lien and Personal Obligation for Assessments.** Each owner of any parcel (including any purchaser at a judicial sale), by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (A) the parcel's prorata share of regular assessments based on the annual Association budget;
- (B) the parcel's prorata share of special assessments for Association expenditures not provided for by regular assessments, except that the total of all special assessments made in any fiscal year shall not exceed ten percent (10%) of the total budget for that year, unless at least a majority of the voting interests first consent; and
- (C) any charges against less than all of the parcels specifically authorized in this Declaration or the Association Bylaws.

Assessments shall be established and collected as provided herein and in the Bylaws of the Association. The regular and special assessments and charges, together with interest, costs, and reasonable attorney's fees shall bind such property in the hands of the owner, his heirs, devisees, personal representatives, successors and assigns. In any conveyance, voluntary or otherwise, the transferee shall be jointly and severally liable with the transferor for all unpaid assessments coming due prior to the time of such conveyance, without prejudice to the rights of the transferee to recover from the transferor the amounts paid by the transferee. Except as provided elsewhere in this Declaration as to the Institutional Mortgagees, no owner may be excused from the payment of assessments unless all owners are similarly excused.

**6.2 Share of Assessments.** Each parcel and the owner thereof shall be liable for an equal share of all regular and special assessments.

**6.3 Establishment of Liens.** Any and all assessments levied by the Association in accordance with the provisions of this Declaration or any of the Governing Documents, together with interest at the highest rate allowed by law, and costs of collection (including, but not limited to reasonable attorney's fees) are hereby declared to be a charge and continuing lien upon the parcel against which each such assessment is made, and shall also be the personal obligation of the owner of each parcel assessed. This lien is superior to any homestead rights the owner may acquire. No owner may exempt himself from personal liability for assessments, or release the parcel owned by him from the liens and charges hereof, by waiver of the use and enjoyment of the Common Area, or by abandonment of his parcel. The lien shall be perfected from and after the recording in the Public Records of Collier County of a Claim of Lien by the Association setting forth the amount and due date of each assessment unpaid as of the date

DECLARATION

-5-

the Claim of Lien is recorded. A Claim of Lien shall secure payment of all assessments due at the time of recording (including interest, costs and attorney's fees as provided above), as well as all assessments coming due subsequently, until the Claim is satisfied or a final judgment of foreclosure obtained. Upon full payment of all sums secured by that Claim of Lien, the party making payment is entitled to a Satisfaction of Lien.

**6.4 Priority of Liens.** The Association's lien for unpaid assessments shall be subordinate and inferior to any recorded institutional first mortgage, unless the Association's Claim of Lien was recorded prior to the mortgage, but shall be superior to, and take priority over, any other mortgage regardless of when recorded. Any lease of a parcel shall be subordinate and inferior to any Claim of Lien of the Association, regardless of when the lease was executed. A mortgagee in possession, a receiver, a purchaser at a foreclosure sale, or a mortgagee that has acquired title by deed in lieu of foreclosure, and all persons claiming by, through or under such purchaser, or mortgagee shall hold title subject to the liability and lien of any assessment coming due after foreclosure or conveyance in lieu of foreclosure. Any unpaid assessment which cannot be collected as a lien against any parcel by reason of the provisions of this Section, shall be treated as a special assessment divided equally among, payable by, and assessed against all parcels, including the parcel as to which the foreclosure (or conveyance in lieu of foreclosure) took place.

**6.5 Collection of Assessments.** If any owner fails to pay any assessment, or installment thereof, within thirty (30) days after the due date, the Association shall have any or all of the following remedies, to the extent permitted by law, which remedies are cumulative and are not in lieu of, but are in addition to, all other remedies available to the Association:

- (A) To charge interest on such assessment or installment, from the date payment is due until paid, at the highest rate allowed by law, as well as to impose a late payment penalty in such amount as determined by the Board of Directors. A separate penalty may be imposed for each month that the assessment or installment remains unpaid. This penalty shall not be considered a fine as provided for in Section 12.2 hereof, and the procedural requirements for levying fines set forth therein shall not apply. All payments on account shall be applied first to interest, then to late payment penalties, court costs and attorney's fees and finally to delinquent assessments.
- (B) To accelerate the due date for the entire remaining unpaid amount of the regular assessments against the owner's parcel for the remainder of the fiscal year notwithstanding any provisions for the payment thereof in installments.
- (C) To file an action in equity to foreclose its lien. The lien may be foreclosed by an action in the name of the Association in the same manner as provided in Section 718.116 of the Florida Condominium Act, as amended from time to time, for the foreclosure of liens on condominium parcels for unpaid condominium assessments.
- (D) To bring an action at law for a money judgment against the owner without waiving any lien foreclosure rights of the Association.

**6.6 Certificate.** The Association shall, within fifteen (15) days of receipt of a written request for same, furnish to any owner liable for assessments a certificate in writing signed by an officer of the Association, setting forth whether said assessments and any other sums due the Association have been

#### DECLARATION

paid. Such certificate may be relied upon by all interested persons except the owner. The Association may require the advance payment of a processing fee not to exceed fifty dollars (\$50.00) for the issuance of such certificate.

**7. ARCHITECTURAL AND AESTHETIC CONTROL.** No building, structure or other improvement shall be erected or altered on any parcel, nor shall any grading, excavation, landscaping, or other work which in any way materially alters the exterior appearance of any structure or parcel be performed without the prior written approval of the Board of Directors of the Association. In obtaining said written approval, the owner, or any other person applying, shall comply with all applicable requirements and procedures of the Governing Documents. Refusal of approval for plans and specifications may be based on any reason including purely aesthetic reasons.

**7.1 Master Association Approval.** All improvements made to parcels shall also be subject to review and approval by the Architectural Review Committee (ARC) of the Master Association, in accordance with the provisions of the Master Documents.

**7.2 No Liability.** Review and approval of any application pursuant to this Section 7 is made on the basis of aesthetic consideration only and the Board of Directors or the Association shall not bear any responsibility of ensuring the marketability, structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes or other governmental requirements. Neither the Association or the Board of Directors shall be held liable for any injury, damages or loss arising out of the manner or quality of approved construction of or modifications to any residence or other structure.

## **8. PROPERTY RIGHTS; EASEMENTS.**

**8.1 Encroachments.** If any parcel or part of a parcel shall encroach upon any other parcel for any reason other than the intentional act of the owner, then an easement shall exist to the extent of that encroachment for so long as the encroachment shall exist. If a building, window, eave, projection, gutter, roof or any other structure on a parcel (the "encroaching parcel") shall encroach upon any adjoining parcel, by reason of original construction, reconstruction, repair, shifting, settlement, or movement of any portion of the improvements, or by the unintentional act of the owner, then an easement appurtenant to such encroaching parcel, to the extent of such encroachment, shall exist so long as such encroachment shall exist.

**8.2 Separation of Interests.** The ownership of any parcel and the ownership of the residence constructed thereon may not be separated or separately conveyed; nor may any person who does not have an ownership interest in at least one parcel hold membership in the Association.

**8.3 Easements.** The Association shall have the right to grant such electric, telephone, gas, water, sewer, irrigation, drainage, cable television or other easements, and to relocate any existing easement in any portion of the Community and to grant access easements and to relocate any existing access easements in any portion of the Community as the Association shall deem necessary or desirable, for the proper operation and maintenance of the Community, or any portion thereof, or for the general health or welfare of the owners or for the purpose of carrying out any provisions of this Declaration. Such easements or the relocation of existing easements may not prevent or unreasonably interfere with the use of the parcels. Each parcel shall be subject to an easement in favor of all other portions of the Community for the location of utilities, and for surface water drainage, for lateral and subjacent support,

### DECLARATION

and for the use, maintenance, repair, and replacement of the party walls, structural supports, roofs, pipes, wires, ducts, vents, cables, conduits, public utility lines and other similar or related facilities serving other portions of the Community.

## **9. MAINTENANCE; IMPROVEMENTS.**

**9.1 Maintenance of Parcels by Owner.** The owner of each parcel shall maintain, repair and replace, at his own expense, all portions of his parcel and any structures located thereon. **9.2 Maintenance of Parcels by the Association.** The Association shall be responsible to maintain the lawn and landscaping of each parcel in the Community and the costs of such service is to be included in the amount of regular or special assessments. Such duty of maintenance shall not extend to areas requiring unusual maintenance specifically designated by the Board of Directors as an "Area of High Maintenance" or to replacement of any portion of the lawn or landscaping. However, the Association may elect to assume these additional maintenance responsibilities by agreement with the owner, and such costs shall be treated as a charge against that parcel as provided in Section 6.1(C) hereof. For the purposes of this Declaration, trees in excess of fifteen (15) feet and rose gardens shall be included within the definition of an "Area of High Maintenance" and are not covered by the landscape maintenance contract.

**9.3 Enforcement of Maintenance.** If the owner fails to maintain his parcel as required above, the Association shall have the right to institute legal proceedings to enforce compliance, or may take any and all other steps necessary to remedy such violation, including but not limited to entering the parcel, with or without consent of the owner. The Association shall have the right to repair any parcel which constitutes a danger or nuisance or is unsightly or in disrepair, provided that the owner is given no less than five (5) days notice of the Association's intent to do so which reasonably specifies the proposed action. The Association shall charge the expense of same against the owner of said parcel, which charge shall be a lien on the parcel which may be foreclosed and shall include the Association's attorney fees and other costs in connection with said foreclosure.

**9.4 Negligence; Damage Caused by Condition in Parcel.** The owner of each parcel shall be liable for the expenses of any maintenance, repair or replacement made necessary by his negligence or by that of any member of his family or his guests, employees, agents, or lessees; but, unless the negligence is of such character as to evidence gross recklessness or willful or wanton disregard for life or property, the owner shall be liable only to the extent that such expense is not met by the proceeds of insurance. If any condition, defect or malfunction existing within a parcel, whether caused by the owner's negligence or otherwise, shall cause damage to other parcels, the owner of the offending parcel shall be liable to the person or entity responsible for repairing the damaged areas for all costs of repair or replacement not met by insurance. If one or more of the damaged parcels is not occupied at the time the damage is discovered, the Association may enter without prior notice to the owner and take reasonable actions to prevent the spread of the damage. If the Association exercises the rights afforded to it by this Section, which shall be at the discretion of a majority of the voting interests of the Association, the owner of the parcel shall be deemed to have assigned to the Association any right he may have to insurance proceeds that may be available because of the damage or destruction of the improvements.
