2.1 LAND USE COVENANTS

- 2.1.1 **Land.** The Land shall be for residential use only. No commercial or business occupations may occur on the Land except for the construction, development, sale and rental of the Land or portions thereof by Developer and use by Developer as offices.
- 2.1.2 **Common Areas.** The portions of the Land not included within the Lots nor dedicated to a party other than the Association shall be used and conveyed solely in accordance with this Declaration. Ultimately, common areas shall be conveyed to the Association for the benefit of Association Owners, however, some common areas may be conveyed to the Association for the benefit of the Association Owners and a limited number of owners of properties within Wyndemere, but not within the Mahogany Run section of Wyndemere. In such case, the Board of Directors shall establish reasonable rules and regulations concerning the use-rights of owners outside Mahogany Run.
- 2.1.3 **Land Use.** The Common Areas shall be grassed or planted and kept grassed or planted as green open space, or planted with such other form of ground cover or landscaping as developer or the Board considers consistent with the plan for development for the beautification of Mahogany Run. Specific recreational areas, such as a swimming pool, need not comply with the requirements of this paragraph.
- 2.1.4 **Private Use.** The Common Areas hereinafter described are not for the use and enjoyment of the public, but are expressly reserved for the private use and enjoyment of Developer, the Association, Owners and their lessees and their family members, guests and invitees in accordance with this Mahogany Run Declaration.

2.2 RESTRICTIONS ON OCCUPANCY AND USE OF THE LAND

In consideration of the benefits hereinafter contained and the payment of the Association Expenses referred to herein, Developer does hereby declare and the Land, including but not limited to the Lots and Golf Cottages, shall at all times be used, constructed, occupied and held subject to the following:

- 2.2.1 **Plans and Specifications and Architectural Review Board.** For the purpose of insuring the development of Mahogany Run as an area of high standards, an architectural review board ("Board") shall be established as follows:
 - A) **The Board.** Initially, the Board shall consist of at least three (3) persons designated by Developer, and Developer shall also retain the power to replace such designees. The members of the Board may be, but need not be, members of the ARC. At such time as Developer no longer owns any property within Wyndemere, or when Developer voluntarily so elects, Developer shall assign to the Association Developer's rights, powers, duties and obligations as to the Board, whereupon the Board of Directors of the Association shall appoint the members of the Board. In the event of the death or resignation of any member of the Board, the Developer or its assignee shall have the full authority to designate a successor. Neither the members of the Board nor its designated representative shall be entitled to any compensation for any services pursuant to this Declaration.

the official approval or disapproval of the Board. Any approval or disapproval of the Board shall be subject to review by the ARC ("Appeal"). An Appeal may be made by either the Owner who submitted the initial request for approval to the Board, the Developer or the Association. The request for an Appeal shall be submitted in writing to the ARC within ten (10) days after issuance by the Board of its decision; provided, however, such time period may be extended in the sole discretion of the ARC. Unless extended as herein provided, any decision of the Board shall be final ten (10) days after issuance. Where a decision of the Board is Appealed, the decision of the ARC shall be the final decision on the matter. Any written request for Appeal shall be accompanied by copies of all material submitted to the Board and by the written determination of the Board in reference to the matter. A request for Appeal shall also state the basis on which the person submitting the request for Appeal believes the decision of the Board should be changed.

C) Requirement of Board Approval. No improvement or structure of any kind, including, without limitation, any building, wall, fence, swimming pool, tennis court, or screened enclosure, shall be erected, placed or maintained and no addition, alteration, modification or change to any such improvement or structure shall be made without the prior written approval of the Board.

D) Method of Obtaining Board Approval. In order to obtain the approval of the Board, a complete set of plans and specifications for proposed construction and any and all other reasonably requested information and materials related thereto ("Plans") shall be submitted to the Board for its review. The Plans shall include, as appropriate, the proposed location, grade, elevations, shape, dimensions, exterior color plans, landscaping plans, approximate costs, and nature, type and color of materials to be used. The Board may also require the submission of additional information and materials as may be reasonably necessary for the Board to evaluate the proposed construction or alteration. The Board shall evaluate all Plans utilizing standards of the highest level as to the aesthetic quality and materials and workmanship to be used and as to suitability and harmony of location, structure and external design in relation to surrounding topography and structures. Any improvements on the Lots described on Exhibit A that are existing on the date of recordation of this Declaration ("Existing Improvements") shall be exempted from the approval required hereby, but any modification, alteration, or replacement of Existing Improvements shall be subject to the provisions hereof if such Lot is within the Land.

E) Approval or Disapproval by the Board. The Board shall have the right to refuse to approve any Plans which, in its sole discretion, are not suitable or desirable. Any and all approvals or disapprovals of the Board shall be in writing and shall be sent to the respective Owner and the ARC. In the event the Board fails to approve or to disapprove in writing any proposed Plans within thirty (30) days after their submission to the Board, then said Plans shall be deemed to have been approved by the Board and the appropriate written approval delivered forthwith; provided, however, any Owner intending to rely upon the Board's failure to act, shall submit notice of such intention in writing to the ARC together with a copy of all materials submitted to the Board in connection with the Owner's application for approval

OR BOOK

I) **Scope of Review.** The Board shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition, solely on the basis of the aesthetic consideration and overall benefit or detriment which would result to the immediate vicinity and to Wyndemere and the Land as a whole. The Board shall take into consideration the aesthetic aspects of the architectural design, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features, and shall not be responsible for reviewing, nor shall its approval of any plans or design be deemed approval of, any design or plan from the standpoint of structural safety or conformance with building or other codes.

J) **Variance from Standards.** The Board may authorize, subject to the approval of the ARC, in a reasonable manner so as not to destroy the general scheme or plans of the development of Mahogany Run and of Wyndemere, variances from compliance with the Standards, as the same may be modified or amended by the Board from time to time, when circumstances such as topography, natural obstructions, hardship, aesthetics or environmental considerations may require. If any such variances are granted by the Board and approved by the ARC, no violation of the restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provision of this Declaration for any purpose except as to that particular property and particular provision hereof or standards promulgated hereby which are covered by the variance. Such variance shall be evidenced in writing and executed by a member of the Board and the members of the ARC.

2.2.2 **Other Provisions As To Use Of The Land.** The following occupancy and use restrictions shall apply to each Owner and its lessees and their family members, guests and invitees:

A) **Residential Use.** The Lots and all Lots enlarged, reduced or recreated by the shifting or relocation of property lines are restricted to residential use with each individual unit to be restricted to residence by a single family, their household, servants and guests. A construction shed or trailer may, at the sole discretion of Developer, be placed on a Lot and remain there temporarily during the course of active construction of a Golf Cottage Building. No other temporary buildings, including, but not limited to tents, trailers, tanks and shacks, may be placed on a Lot without the written consent of the Association.

B) **No Trade, Business, Profession, Etc.** No trade, business, profession, or any other type of commercial activity shall be carried on upon the Land. Notwithstanding the foregoing, Developer shall have the right to carry on construction activity and to transact on the Land any business necessary to consummate the sale, lease or encumbrance of Lots, Golf Cottages, or other real property in Mahogany Run or other developments within Wyndemere, including but not limited to the right to maintain models and sales offices and have signs and employees in the offices. Developer may, from time to time, assign this commercial usage right (including the right to carry on construction activity) to such other persons or entities as Developer may choose while at the same time retaining such right for itself. The prohibition against commercial activity shall not prohibit the creation, within Wyndemere, and at the sole discretion of the Developer or of

the Master Association, of a storage facility for "Prohibited Vehicles" (as hereinafter defined"). Notwithstanding anything to the contrary herein contained, the provisions of this Paragraph may not be amended without Developer's prior written consent for so long as Developer owns at least one (1) Lot within Wyndemere.

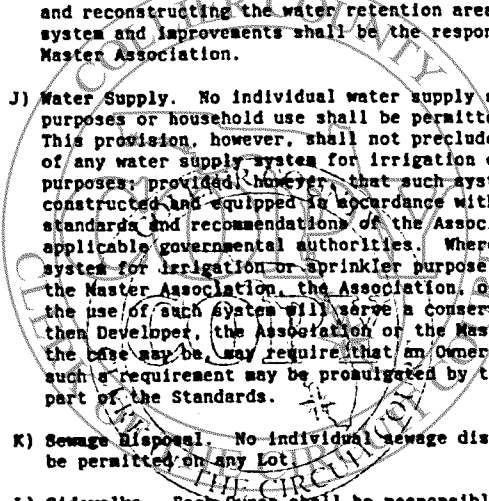

- C) Nuisance. No Owner shall cause or permit to come from his Golf Cottage any unreasonable noises or obnoxious odors or commit or permit to be carried on in his Golf Cottage or elsewhere on the Land any nuisance or any immoral or illegal activities.
- D) Litter and Garbage Collection. No Owner shall sweep or throw from his Golf Cottage any dirt or other materials or litter in any way on to the Land. No garbage, trash, refuse or rubbish shall be deposited, dumped or kept on any part of the Land except in closed containers, dumpsters or other sanitary garbage collection facilities, for pick-up in accordance with any rules and regulations promulgated by the Association.
- E) Removal of Sod and Shrubbery; Alteration of Drainage, etc. Except for Developer's acts and activities in the development of Mahogany Run and Wyndemere, no sod, topsoil, muck, trees or shrubbery shall be removed from the Land and no change in the condition of the soil or the level of any Land shall be made which results in any permanent change in the flow or drainage of surface water of or within Mahogany Run or which detrimentally affects adjoining Lots or other portions of Wyndemere. No tree or shrub, the trunk of which exceeds two inches (2") in diameter be cut down, destroyed or removed from a Lot without the prior express consent of the Association. No artificial grass, plants or other artificial vegetation shall be placed or maintained upon the exterior portion of any Lot unless approved by the Association. No weeds, underbrush or other unsightly vegetation shall be permitted to grow or remain upon any Lot, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon; and each Owner shall maintain his Lot in accordance with a landscaping plan as approved by the Association.
- F) Signs. No sign of any kind shall be displayed to the public view or any view on any of the Lots or Golf Cottages, except that "For Sale" or "For Rent" signs may be displayed on Lots or Golf Cottages, provided they shall not exceed five square feet in size, and are approved by the Association. Notwithstanding anything herein to the contrary, however, this provision shall not be a restriction upon Developer or builders erecting signs which are approved by the Association or the ARC, advertising Mahogany Run or Wyndemere, or any other sections thereof.
- G) Dikes, Dams or Canal Walls. No dikes, dams or canal walls shall be erected or constructed except pursuant to a plan approved by the Association and appropriate governmental officials.
- H) Docks, Boathouses, Waterfront Construction, and Shore Contours. No docks, bulkheads, moorings, pilings, boathouses, or boat shelters of any kind or any construction shall be erected on or over waterways of and within Mahogany Run without the consent of the Association. The area, if any, between the rear lot line of the Lot and the water edge of any lake or other body of water within the Land shall be landscaped and/or sodded and maintained by the owner of said

Lot as if said area were a portion of the Lot owned by said Owner. No person or persons whomsoever shall be permitted upon that portion of the Land lying between the rear lot line and the Lot and the water's edge of any lake or other water body within the Land, except:

- i) The Owner from time to time of said adjacent Lot, his family, guests and invitees, or
 - ii) An employee or contractor of the Association for the sole and exclusive purpose of performing maintenance upon and within said lake or other water body.
- I) Boats. No boats shall be used upon any portion of the Land which is designed for water retention. The administration, management, operation and maintenance of the water retention areas and drainage system shall be the responsibility of the Master Association. The Master Association shall not waive or amend the foregoing maintenance obligation without the prior written consent of all Institutional Mortgagees and the South Florida Water Management District. The cost of administering, operating, maintaining, repairing, replacing and reconstructing the water retention areas and drainage system and improvements shall be the responsibility of the Master Association.
- J) Water Supply. No individual water supply system for drinking purposes or household use shall be permitted on any Lot. This provision, however, shall not preclude the installation of any water supply system for irrigation or sprinkler purposes, provided, however, that such system is located, constructed and equipped in accordance with the requirements, standards and recommendations of the Association and the applicable governmental authorities. Where a water supply system for irrigation or sprinkler purpose is installed by the Master Association, the Association, or Developer, and the use of such system will serve a conservation function, then Developer, the Association or the Master Association, as the case may be, may require that an Owner use such water and such a requirement may be promulgated by the Association as part of the Standards.
- K) Sewage Disposal. No individual sewage disposal system shall be permitted on any Lot.
- L) Sidewalks. Each Owner shall be responsible for keeping the sidewalk and bike paths abutting his Lot, if any, free from any obstruction and clutter including, but not limited to, bicycles, grass clippings and garbage.
- M) Lighting. No lighting shall be permitted which alters the residential character of Wyndemere; provided, however, nothing herein contained shall be deemed to prohibit the maintenance upon the roadways within Wyndemere of lighting as installed by the Master Association, the Developer or the Association for the purposes of lighting the roadways, sidewalks and pathways of Wyndemere and Mahogany Run. No lighting of outdoor activity areas upon a Lot shall be permitted unless approved by the Association.

B) Each Owner shall promptly report to the Association any defect known to such Owner which requires repair of the property for which the Association or a party other than that Owner is responsible.

4.2.2 Landscaping. In order to provide a means by which the covenants in this Declaration as to landscape maintenance by Owners of their Lots may be fulfilled without jeopardizing the security of Wyndemere by the possibility of admission thereto of a large number of landscaping or pool maintenance contractors and their agents and employees, the Association shall be responsible for the maintenance of landscaping and in particular lawn care of each and every Lot within Mahogany Run and shall also provide pool service (consisting of appropriate chemical maintenance and periodic cleaning) to any Lots upon which a swimming pool is constructed; provided, however, such duty of maintenance shall not extend to areas requiring unusual maintenance such as rose gardens or areas specifically designed by the Association as an "Area of High Maintenance" nor shall an Owner be hereby prohibited from providing pool services to his own pool. Areas of High Maintenance shall be maintained by the Owner of the Lot or by such special arrangement as may be approved by the Association. The Association shall contract for the maintenance of the Lots and the cost shall be an Association Expense.

4.2.3 Maintenance and Repair of Common Areas. Included in the foregoing provisions for indemnification are any expenses that Developer may be compelled to incur in bringing suit for the purpose of enforcing rights hereunder, or for the purpose of compelling the specific enforcement of the provisions, conditions, covenants and restrictions contained in this Mahogany Run Declaration to be kept and performed by the Association and/or the Owners, including the payment of Association Expenses.

Pool maintenance and maintenance of high maintenance areas within individual lots will be billed separately to the individual owners.

ARTICLE VI

METHOD OF DETERMINING ASSESSMENT OF ASSOCIATION EXPENSES

6.1 **ASSESSMENTS.** It is hereby declared, and all Owners and the Association agree, that the Association Expenses shall be disbursed by the Association out of funds assessed and collected from and paid by all Owners in Mahogany Run.

6.2 **DETERMINING INDIVIDUAL ASSESSMENTS.**

- 6.2.1 As provided in the Bylaws of the Association, the Board shall prepare an annual estimated Budget which shall reflect the estimated Association Expenses. Thereupon the Board of Directors shall allocate to all Lots for which a Certificate of Occupancy for a Golf Cottage has been issued by the appropriate governmental authority an equal share of the Association Expenses. The share of the Association Expenses (including the lot Maintenance Expense) allocated to a Golf Cottage Owner is the "Individual Assessment" for each Golf Cottage.
- 6.2.2 For purposes of assessments, the number of Golf Cottages located in Mahogany Run shall include all Golf Cottages located upon Land for which a Certificate of Occupancy has been issued by an appropriate governmental agency.
- 6.2.3 The Individual Assessments shall be payable monthly in advance on the first day of each month of each year.

6.3 DETERMINATION OF INDIVIDUAL ASSESSMENTS DURING THE INTERIM PERIOD.

6.3.1 The term "Interim Period" means that period of time commencing with the date of the recordation of this Declaration amongst the Public Records of the County and continuing for a period of one (1) year or until the Turnover Event, whichever is the sooner to occur.

6.3.2 It is declared and agreed by the Association and Developer that the Owners, shall each pay the "Guaranteed Assessments" (as hereinafter defined) to the Association as Individual Assessments during the Interim Period prorated as of the date of the conveyance of title of a Lot to the Owner by Developer. The "Guaranteed Assessments" shall be Ninety-Five Dollars (\$95.00) per Golf Cottage per month in addition to any assessments payable to the Master Association. Developer covenants and agrees with the Association and the Owners, that during the Interim Period, Developer will pay the difference, if any, between: i) the Association Expenses, including that portion of the Maintenance Fee attributable to landscape maintenance but not including the portion of expenses attributable to Areas of High Maintenance, pool maintenance, or any expenses incurred due to an Owner's negligence or willful misconduct; and ii) the Guaranteed Assessments levied. During the Interim Period, Developer shall not be required to make any payments of Individual Assessments for Association Expenses for Lots owned by Developer and for which there has been no Certificate of Occupancy issued.

6.3.3 Developer may extend the Interim Period for an unlimited number of additional six-month periods by providing the Association written notice at least sixty (60) days prior to the then current date set forth as the end of the Interim Period of Developer's intention to extend the Guaranteed Assessments and such notice shall state the new termination date of the Interim Period.

6.4 **SPECIAL ASSESSMENTS.** Special Assessments include, in addition to other assessments designated as Special Assessments in the Documents and whether or not for a cost or expense which is included within the definition of "Association Expenses", those assessments which are levied for capital improvements which include the costs (whether in whole or in part) of constructing or acquiring improvements for, or on, the Common Areas or the cost (whether in whole or in part) of reconstructing or replace such improvement or improvements on the Land and also any other assessments in addition to the Individual Assessments as shall be levied by the Board of Directors as a result of: i) extraordinary items or expense under this Declaration; ii) the failure or refusal of other Owners to pay assessments of Association Expenses; and iii) such other reason or basis determined by the Board which is not inconsistent with the terms of any of the Mahogany Run Documents. Notwithstanding anything to the contrary herein contained, it is recognized and declared that Special Assessments shall be in addition to, and are not part of, the Guaranteed Assessment and any such Special Assessments assessed against Mahogany Run Owners shall be paid by such Owners in addition to any such Guaranteed Assessments. Special Assessments shall be assessed in the same manner as the Individual Assessment. Special Assessments shall be paid in such installments or in a lump sum as the Board of Directors shall, from time to time determine.

6.5 **LIABILITY OF OWNERS FOR INDIVIDUAL ASSESSMENTS.** By the acceptance of a deed or other instrument of conveyance of a Lot in Mahogany Run, each Owner thereof acknowledges that each Lot and the Owners thereof are jointly and severally liable for their own Individual Assessment and their applicable portion of any Special Assessments as well as for all assessments for which they are liable as provided for herein. Accordingly, subject to such specific limitations, it is recognized and agreed by each Owner for himself and his heirs, executors, successors and assigns, that in the event Owners fail or

OR BOOK

refuse to pay their Individual Assessment or any portion thereof or their respective portions of any Special Assessments, then the other Owners may be responsible for increased Individual Assessments or Special Assessment due to the nonpayment by such other Owners, and such increased Individual Assessment or Special Assessment can and may be enforced by the Association and the Developer in the same manner as all other assessments hereunder as provided in this Declaration. The limitations to lots owned by Developer insofar as Special Assessments are concerned also apply to any portion of an assessment arising from the failure of any Owner to pay a Special Assessment or any portion thereof.

ARTICLE VII

ESTABLISHMENT AND ENFORCEMENT OF LIENS

7.1 LIENS. Any and all Individual Assessments for Association Expenses, and Special Assessments and all installments thereof (collectively the "Assessments") with interest thereon at the highest rate allowed by law and costs of collection, including attorneys' fees are hereby declared to be a charge and continuing lien upon Lot and/or Golf Cottage against which each such Assessment is made. Each Assessment against a Lot and/or Golf Cottage, together with interest thereon at the highest non-usurious rate allowed by law (and if no such rate is specified by law, then at eighteen percent [18%] per annum) and costs of collection thereof, including attorneys' fees, shall be the personal obligation of the person, persons or entity owning the Lot and/or Golf Cottage assessed. Said lien shall be effective only from and after the time of recordation amongst the Public Records of the County, or a written, acknowledged statement by the Association setting forth the amount due to the Association as of the date the statement is signed. Upon full payment of all sums secured by that lien, the party making payment shall be entitled to a recordable satisfaction of the statement of lien. Where an Institutional Mortgagee obtains title to a Lot and/or Golf Cottage as a result of foreclosure of its mortgage or deed given in lieu of foreclosure, such acquirer of title, its successors and assigns, shall not be liable for the share of Assessments pertaining to such Lot and/or Golf Cottage or chargeable to the former Owner which become due prior to the acquisition of title as a result of the foreclosure, unless such share is secured by a claim of lien for Assessments that is recorded prior to the recording of the foreclosed mortgage. Such unpaid share of Assessments shall be added to the Assessments collectible from all other Lots and/or Golf Cottages in Mahogany Run. The foregoing shall not excuse an Institutional Mortgagee from payment of Assessments pertaining to a Lot and/or Golf Cottage which accrue during the period of ownership of such Lot and/or Golf Cottage by such Institutional Mortgagee whether or not such Lot and/or Golf Cottage is occupied.

7.2 ENFORCEMENT. In the event any Owner shall fail to pay Assessments or any installment thereof charged to his Lot within fifteen (15) days after the same becomes due ("Delinquent Owner"), then the Association, through its Board of Directors, shall have any of the following remedies to the extent permitted by law:

- 7.2.1 To accelerate the entire amount of any Assessments for the remainder of the calendar year notwithstanding any provisions for the payment thereof in installments.
- 7.2.2 To advance on behalf of the Delinquent Owner funds to accomplish the needs of the Association and the amount or amounts of monies so advanced, including reasonable attorneys' fees and expenses which might have been reasonably incurred because of or in connection with such advance, including costs and expenses of the Association if it must borrow to pay expenses because of the Delinquent Owner, together with interest at the highest non-usurious rate allowable by law (and if no such rate is specified by law, then an eighteen percent [18%] per annum), any thereupon be collected or enforced by the Association and such advance or loan by the Association shall not waive the default.

001266
OR BOOK

000384
PAGE

- 7.2.3 To place of record a claim of lien against the Golf Cottage and/or Lot of the Delinquent Owner.
- 7.2.4 To file an action in equity to foreclose its lien at anytime after the effective date thereof. The lien may be foreclosed by an action in the name of the Association in like manner as a foreclosure of a mortgage on real property.
- 7.2.5 To file an action at law to collect said Assessment plus interest at the highest non-usurious rate allowable by law (and if no such rate is specified by law, then at eighteen percent [18%] per annum) plus court costs and attorneys' fees without waiving any lien rights and/or rights of foreclosure in the Association.

7.3 COLLECTION BY DEVELOPER. In the event for any reason the Association fails to collect the Assessments, then in that event Developer, until the Developer no longer owns a Lot, shall have the right to collect the same in the same manner as the Association.

ARTICLE VIII

INSURANCE

8.1 COMMON AREAS INSURANCE. The Association shall purchase the following coverage for the Common Areas subject to the following provisions:

- 8.1.2 Liability Insurance. The costs of the policy or policies of insurance in the form generally known as Public Liability and/or Owners policies insuring the Association against any and all claims and demands made by any person or persons whatsoever for injuries received in connection with the use, operation and maintenance of Common Areas and improvements and buildings located thereon, or for any other risk insured against by such policies which the Association, in its sole discretion, determines to insure against. Each policy purchased by the Association shall have limits of not less than One Million Dollars (\$1,000,000) covering all claims for personal injury and One Hundred Thousand Dollars (\$100,000) for property damage arising out of a single occurrence. The coverage of the liability insurance policies purchased by the Association shall include protection against liability for property damage, bodily injuries and deaths of person in connection with the operation, maintenance or use of the Common Areas, legal liability arising out of law suits related to employment contracts of the Association, water damage liability, liability for non-owned and hired automobiles, liability of hazards related to usage and liability for property of others. All such policies will name the Association (and Developer for so long as Developer shall own any portion of the Common Areas as their respective interests may appear) as the insured under such policy or policies. The insurance purchased shall contain a "severability of interest endorsement", or equivalent coverage, which would preclude the insurer from denying the claim of an Owner because of the negligent acts of either the Association, the Developer or any other Owners or deny the claim of either the Developer or the Association because of the negligent acts of an Owner.
- 8.1.2 Casualty Insurance. The costs of the policy or policies of insurance to allow the Association to insure any improvements now located or which may hereafter be located, built or placed upon the Common Areas against loss or damage caused by or resulting from at least the following: fire and other hazards covered by the standard extended coverage endorsement, sprinkler leakage, windstorm, vandalism, malicious mischief, water damage, debris removal and demolition, and such other risks as the

8.1.3 Fidelity Coverage. Adequate fidelity coverage to protect against dishonest acts of the officers and employees of the Association and the Directors and all others who handle and are responsible for handling funds of the Association, such coverage to be in the form of fidelity bonds which meet the following requirements unless one or more of such requirements are waived in writing by all Institutional Mortgagees:

- A) Such bonds shall name the Association as an obligee;
- B) Such bonds shall be written in an amount equal to at least one hundred fifty percent (150%) of the estimated annual Association Expense; and
- C) Such amounts shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of "employee" or similar expression.

8.2 MISCELLANEOUS INSURANCE. The Association may also obtain such forms of insurance and in such coverages as the Association shall determine for the protection and preservation of the Common Areas. Such insurance may include, without limitation, workmen's compensation insurance and flood insurance.

8.3 POLICY CANCELLATION. All insurance policies and fidelity bonds obtained by the Association shall provide that they may not be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association.

8.4 INSURANCE TRUSTEE. The Board of Directors may, if it deems it to be in the best interests of Mahogany Run, provide that insurance policies be deposited with an Insurance Trustee whose duty shall be to receive any and all proceeds from the insurance policies held by it as such Insurance Trustee and to pay such proceeds to the Association pursuant to the terms hereof.

9.3 EASEMENT FOR ENCROACHMENT.

(i) An easement for encroachment in favor of all Owners in the event any portion of any of the Golf Cottages now or hereafter encroaches upon any of the other Golf Cottages, Lots or other portions of Mahogany Run as a result of minor inaccuracies in survey, construction or reconstruction, or due to settlement or movement, (ii) an easement for encroachment in favor of Developer, Owners and the Association where any portion of the Common Areas encroaches upon any portion of the Land or any Lot therein, (iii) an easement in favor of the Owner of each Golf Cottage for encroachment of any portion of the Golf Cottage upon the Common Areas, (iv) any encroaching improvements shall remain undisturbed for so long as the encroachment exists. The easements for encroachment include an easement for the maintenance and use of the encroaching improvements in favor of the Owner or Owners thereof and their designees.

9.4 OVERHANG EASEMENTS. An easement for encroachment, maintenance and repair of the building overhand of any Golf Cottage over and across the abutting lot in favor of the owner of the Golf Cottage with the overhang provided the overhang does not extend beyond three (3) feet from the owner's property line and that the maintenance and repair is conducted in a reasonable manner and during reasonable hours.

9.5 RIGHT OF ASSOCIATION TO ENTER UPON THE LAND. An easement or easements for ingress and egress in favor of the Association by its Board or the designees of the Association to enter upon each portion of the Land for the purpose of fulfilling its duties and responsibilities of ownership, administration, maintenance and repair in accordance with the Mahogany Run Documents.

9.6 USE AND ENJOYMENT OF COMMON AREAS. A nonexclusive easement for the use and enjoyment and for access over and to the Common Areas on behalf of Developer, the Association and Owners, their lessees, family members, guests and invitees; provided, however, an Owner's easement to such use and enjoyment may be temporarily suspended by the Association upon written notice for a period not to exceed thirty (30) days for failure of an Owner, his lessee, or their family members, guests or invitees to conform to the rules and regulations promulgated by the Association in regard to use of the Common Areas.

9.7 EASEMENT FOR OWNERS WITHIN WYNDEMERE. An easement in favor of the owners of any residential dwelling unit now or hereafter located upon any portion of Wyndemere for purposes of ingress and egress across, over and upon the Land and the private roadways located or to be located thereon to and from publicly dedicated rights-of-way.

9.8 ASSIGNMENT; ADDITIONAL EASEMENTS. The easements reserved hereunder unto Developer may be assigned by Developer in whole or in part to the Association, any city, county or state government or agency thereof, or any duly licensed or franchised public utility, or any other designee of Developer. The Owners, by the acceptance of a deed of conveyance of a Golf Cottage, authorize Developer and/or the Association to execute on their behalf and without further authorization, such grants of easement or other instruments as may, from time to time, be necessary to grant easements over and upon the Land or any portion or portions thereof in accordance with or to implement the provisions of this Article. Notwithstanding the foregoing, no such easement shall be permitted or deemed to exist which causes any buildings, permanent structures or other permanent facilities within Mahogany Run which have been constructed (i) in accordance with the Mahogany Run Documents; and (ii) prior to the use of such easement; to be materially altered or detrimentally affected thereby nor shall any such easement be granted or deemed to exist under any such structures or buildings so built in accordance with this Declaration and the Golf Cottages Documents prior to the actual use of such easement. The foregoing shall not preclude such easements under then-existing improvements other than buildings or structures provided that the use and enjoyment of the easement and the installation of facilities in connection therewith would not result in other than minor, temporary alterations to such improvements other than a building or structure (such as, but not limited to, temporary alteration or removal of a fence or temporary excavation within a paved area) and provided that same is

CONDEMNATION

10.1 TAKING OR PARTIAL TAKING. If at any time during the term of this Declaration the whole or any portion of the Common Areas shall be taken ("Taken Area") for any public or quasi-public purpose by any lawful power or authority by the exercise of the right of eminent domain or by agreement between those authorized to exercise such right (hereinafter for the purpose of this Paragraph called "Condemnation"), this Declaration and all obligations hereunder as to the Taken Area shall terminate and expire on the date of such taking, and Expenses provided to be paid for such Taken Area shall be apportioned and paid to the date of such taking. The Association shall represent the Owners in the condemnation proceedings or in negotiations, settlements and/or agreements with the condemning authority for acquisition of the Taken Area, or part thereof, by the condemning authority.

10.2 DIVISION OF AWARDS. The rights of Developer and other Owners in and to the net award or awards ("Taken Area Award") after any Condemnation (after reasonable fees and expenses of collection) shall be determined as follows:

10.2.1 To the extent that Developer owns any Golf Cottages or Lots, Developer shall participate in any Taken Area Awards for its interest in the Common Areas along with and to no lesser degree than other Owners.

10.2.2 The Association shall have the right to attend and participate in all hearings relevant to the Condemnation and to receive notice from Developer of such hearings.

10.3 REPAIR AND REPLACEMENT. If any improvements upon the Common Areas not included in the Taken Area shall be damaged or partially destroyed by such Condemnation, then the Association shall proceed with reasonable diligence to demolish, if necessary, and to construct, repair, replace or rebuild such improvements so such improvements are complete and in good condition and repair. The Association shall hold that portion, if any, of the Taken Area Award which represents consequential damages to said improvements or replacements thereof in trust for application of the same to the cost and expense as herein provided. Repair of such improvements shall be conducted under the supervision of any architect or engineer licensed in the State of Florida selected by the Association, and such work shall be done in accordance with plans and specifications prepared and approved in writing by such architect or engineer and submitted to Developer for approval, which approval shall not unreasonably be withheld.

10.4 TEMPORARY USE. If the temporary use of the whole or any part of the Common Areas shall be taken at any time during the term of this Declaration by the exercise of the right of Condemnation, the term of this Declaration shall not be reduced or affected in any way, and the Association Expenses herein provided to be paid shall continue to be due and payable and the various Owners shall be entitled to the entire award granted by reason of such taking.

10.5 TAKING OF LAND. ("Notice"). If, within thirty (30) days of submission of the notice and the Plans to the ARC the ARC issues a written disapproval or if an Owner fails to provide the ARC with Notice, the Plans shall be deemed disapproved notwithstanding anything herein to the contrary.

F) Indemnification. Each and every member of the Board, specifically including but not limited to Developer's designated members, shall be indemnified by the Association and the non-developer Owners against all costs, expenses and liabilities, including counsel fees at all trial and appellate levels, reasonably incurred by or imposed upon him or her in connection with any proceeding, litigation or settlement in which he or she becomes involved by reason of being or having been a member of the Board. The foregoing provisions for indemnification shall apply whether or not he or she is a member of the Board at the time such expenses are incurred. Notwithstanding the above, in instances where a member of the Board admits or is adjudged guilty of willful misfeasance or malfeasance in the performance of his or her duties, the indemnification provisions of this Declaration shall not apply; otherwise the foregoing rights to indemnification shall be in addition to and not exclusive of any and all rights of indemnification to which a member of the Board may be entitled whether by statute or common law.

G) Enforcement. There is specifically reserved unto the Board the right of entry and inspection upon any Lot or other portion of the Land for the purpose of determination by the board whether there exists any construction of any improvement which violates the terms of any approval by the Board, the ARC, or the terms of this Declaration or of any other covenants, conditions and restrictions to which its deed or other instrument of conveyance make reference. The Board is specifically empowered to enforce the provisions of this Declaration by any legal or equitable remedy, and in the event it becomes necessary to resort to litigation to determine the propriety of any constructed improvement, or to remove any unapproved improvements, the prevailing party in such litigation shall be entitled to recover all court costs, expenses and reasonable attorneys' fees in connection therewith. The Association shall indemnify and hold harmless the Board from all costs, expenses and liabilities, including attorney's fees incurred by virtue of any member of the Board's service as a member of the Board.

The Standards shall be reasonable and in conformance with the plan of development of Mahogany Run and Wyndemere. A copy of any Standards promulgated and any modification or amendment thereof shall be mailed to all Owners and their mortgagees and shall not be effective until placed amongst the Public Records of the County. No written consent of any Owner or mortgagee shall, however, be required to effect such amendment and recordation.

person, firm or entity violating or attempting to violate any covenant or restriction hereunder. The failure by any party to enforce any covenant, restriction or easement herein contained shall in no event be deemed a waiver of such covenant, restriction or easement or of the right of such party to thereafter enforce such covenant, restriction or easement. The prevailing party in any such litigation shall be entitled to reasonable attorneys' fees.

ARTICLE XII

AMENDMENT AND MODIFICATION

12.1 Prior to conveyance of a Golf Cottage by Developer as evidenced by the recording of the instrument of conveyance amongst the Public Records of the County, Developer may modify and/or amend this Declaration; provided, however, that any such modification and/or amendment shall be reflected in an instrument executed by Developer and recorded amongst the Public Records of the County.

This amendment shall be signed by Developer and a copy of the amendment shall be furnished to each Owner, the Association and all Institutional Mortgagees as soon after recording thereof amongst the Public Records of the County, as is practicable.
