Approval is hereby requested to place a dumpster on the driveway at the above listed address in accordance with amended Section 14.10(A)(2) of the Declaration of Covenants, Restrictions and Easements for The Preserve, which states:

*Dumpsters and trailers being used as dumpsters that are parked on an owner's driveway must receive the approval of the Preserve Association ARC and that approval must be renewed every thirty (30) days. If approval is not granted or renewed every thirty (30) days as required by the Association, the Preserve Association Board is authorized to have the dumpster removed, but only after supplying at least ten (10) days' written notice to the owner that the dumpster will be removed. Any expenses so incurred by the Association in doing so shall be billed directly to the owner in whose driveway the dumpster or trailer is parked, and shall be a charge against the patio home, and secured by a lien against the patio home as provided in Section 10.*
